**Release Date: June 7, 2024**  
**Contact: Public Information Officer**

### **RIVERSIDE COUNTY:**

The Riverside Superior Court is pleased to announce that it will open the new Menifee Justice Center on July 8, 2024. The new courthouse, located in the City of Menifee, will enhance public access to justice in one of the fastest growing areas in Riverside County.

The Menifee Justice Center houses nine courtrooms dedicated to family law and civil matters. The facility provides space for clerk's office functions, family law mediation, self-help, jury services, and other court services. The new, state-of-the-art facility contains energy saving features and includes an abundance of natural light and water-saving exterior landscaping.

With the opening of the Menifee Justice Center, the court will reassign family law cases currently handled at the Hemet Courthouse and adoption, parental termination, domestic violence restraining order and civil cases (except civil harassment) handled at the Southwest Justice Center. The court will mail notice to parties on the cases it reassigns to the Menifee Justice Center. That notice will include updated department assignment information for all future court hearings.

The court encourages parties to check the [Public Access Portal](#) on the court's website for up-to-date courthouse and department assignment information. Parties may also contact the clerk's office at (951) 777-3147 for assistance.

The Menifee Justice Center was funded by Senate Bill 1407. Additional information about the project is available at <https://www.courts.ca.gov/facilities-riverside-hemet.htm>
